It is a fact mentioned by physicians of the largest experience that the effort on the part of nature to throw off the Expect to Ask Court for Permit poisons results sometimes in inflammation of the kidneys. It is therefore very important to assist nature in eliminating the toxins (poisons) from the body thru the bowels, skin and kidneys. Not only should this be carefully attended to by the sick, but by the person who wishes to ward off an attack. A new kidney remedy called "Anuric" (antiuric) can be obtained of the druggist. This "Anuric" flushes the bladder and kidneys and throws off the poisons (toxins), and should be of the Supreme Court to ask for an taken with hot water or hot lemonade. The Evening World on Oct. 16 published the substance of a complaint made by Mrs. Alonzo Murphy against William Schmidt, her landlord. The report alleged that Schmidt had been described by Mrs. Murphy as a German. It is now learned that Mrs. Murphy was in error in supposing Schmidt to be a German. His attorney was in error in supposing Schmidt to be a German. His attorneys wouth for the fact that he is a native born American. They further

PREPARE ORDER TO INSPECT BALLOTS

Late To-Day-No Fraud Charges Are Made.

Attorneys for Gov. Whitman will appear late this afternoon or early -morrow before Judge Newberger order directing A. E. Smith, Democratic candidate, to show cause way cast in Manhattan and the Bronx at the election last Tuesday.

The order is returnable Friday and sought primarily to determine the nethod of inspection. In the past, it was explained by Gilbert & Gilbert Whitman's attorneys, the pallots have been carried to warehouses or open lofts and piled indiscriminately in such a manner as to preclude the possibility of safeguarding them

rom damage or destruction. The Court will be asked to permit the examination of the ballots in the various police stations where they now are and where they will remain for six months.

While no direct charges of fraud ire made the request for an inspection of the ballots is the result of correspondence between State Republican Committee Chairman Glynn and Gov. Whitman after a tabulation of the vote cast had been made by

and he had received a number of requests from district leaders that an inspection be made of the ballots in their Assembly districts, stating their belief that the results announced were not accurate.

He explained that the official can-
